MEDIA GUIDELINES & INFORMATION

CREDENTIALS:
Requests for game-by-game credentials should be submitted in writing – on company letterhead – to the Pistons Public Relations Department AT LEAST 30 HOURS PRIOR to the game you wish to cover (2:00 p.m. on Friday for a Saturday, Sunday or Monday game). Credential requests may be sent to Pistonspr@palacenet.com. **NO CREDENTIAL REQUESTS WILL BE HONORED ON GAME DAY.** Please make certain all requests for credentials are confirmed by the Public Relations Department prior to arriving at the arena. Credentials may be obtained 2 1/2 hours prior to each game at the press gate. **MEDIA ENTRANCE:** Located at the Huntington Entrance on the northwest corner of Little Caesars Arena, close to the intersection of Sproat St. and Cass Ave. The last door on the right (as you approach the building) will be marked for media and gated off from the public. The media entrance will open three hours prior to each game. Credentials must be visibly worn at all times and are non-transferable.

PHOTOGRAPHERS:
Limited (and assigned) space is available for both accredited television and still photographers in one of two quadrants – either the west side of the basket stanchion on the north end of the floor or the east side of the basket stanchion on the north end of the floor. **ABSOLUTELY NO TRIPODS ALLOWED.** Photographers must be seated and stationary, at least four feet behind the baseline at all times. Photographers are not permitted on the court at any time during the game and cannot shoot from public walkways or gathering areas.

Photo credentials will be issued in the same manner as other credentials, although requests should be submitted by the photo editor. It is club policy NOT to allow freelance photographers. Each photographer will be assigned a position by the Pistons Public Relations Department, making it imperative that we are aware of your intentions to shoot a particular game. A photo (and seating) chart will be available in the media room. Photographers located on the baseline will be permitted only one standard size "Domke" bag which must be placed behind the photographer during the game. Equipment not needed during the game must be stored off-court. One additional camera can be stored either beside or directly behind the photographer.

RUBBER LENS SHADES:
In order to reduce the risk of injury to players, rubber lens shades are now required for all still photographers, broadcasters, news and entertainment video and film crews who are authorized to shoot NBA game action. Any additional light sources must be either removed or covered with bubble wrap.

Rubber lens covers are available by contacting:
Robert's Distributors, Inc.
255 S. Meridian Street
Indianapolis, IN 46225
(800) 726-5544

PARKING:
Members of the media who have been issued credentials will be granted parking privileges in press parking area, located 2721 Cass Ave. – Surface Lot #2 (Corner of Temple and Cass).

MEDIA WORKROOM:
The media workroom, located on the east side of the event level, is open three hours prior to each game and features comfortable work areas for your convenience. Game notes, media guides, statistics, post-game quotes and out-of-town scores are available in the media work room. Should you need any additional assistance or service, please do not hesitate to ask Kevin Grigg, Cletus Lewis, Josh Schur or any member of the Pistons Public Relations staff.

PREGAME & POSTGAME INTERVIEWS:
In accordance with NBA policy, both the Pistons and visiting locker rooms will be open to accredited media members for a 30-minute period prior to each game (5:45 – 6:15 p.m. for a 7:00 p.m. game) and no later than 15 minutes following the conclusion of each game. Players and coaches are available for interviews at those times, although it is recommended that any interview lasting longer than five minutes in duration be arranged in advance through the Pistons Public Relations Department (any live television pre- or post-game interviews should also be arranged in advance through the PR Department). **ONLY** working media members with valid credentials will be admitted to the locker room. No still photography is permitted in either teams' locker room. **ABSOLUTELY NO AUTOGRAPHS ALLOWED DURING MEDIA ACCESS PERIOD.**

INTERVIEW ROOM:
Detroit Pistons Head Coach Dwane Casey will meet with the media in the press conference room -- located on the west side of the building on the event level, between the Pistons and Red Wings locker rooms (across from the Players Club).

GAME NOTES, STATISTICS & STATISTICIANS:
Game notes and statistics are available in the Pistons media room three hours prior to each game. Statistics are distributed to working media following each quarter. Post-game quotes and notes are distributed as quickly as possible following the conclusion of each game. Local statisticians are available to assist visiting television and radio broadcasters, and can be arranged by contacting the Pistons Public Relations Department several days in advance. Once a request is made, the statisticians must be compensated whether or not they are used.

AUTOGRAPHS:
SEEKING AUTOGRAPHS OR SOUVENIR ITEMS FROM PLAYERS OR COACHES IS STRICTLY PROHIBITED AND SUBJECT TO FORFEITURE OF CREDENTIAL.

PRACTICE POLICY:
In general, practices – which will usually be held at the team's practice facility – are closed to the media, with the exception of the last 30 minutes. However, players and coaches will be available for brief interviews with accredited media members at the conclusion of each session. Interviews lasting longer than five minutes in duration should be scheduled in advance through the Pistons Public Relations Department. Please contact a PR staff representative to confirm practice times, sites and player availability.

INTERNATIONAL MEDIA POLICY:
International media interested in covering NBA regular season games must first submit a request in writing to the NBA league office. Please do not contact the Detroit Pistons individually. All credential requests must be received at least three business days prior to the first game requested. Photo identification will be required when picking up confirmed credentials at the media entrance. Requests must be made to the attention of Michael Perrelli (NBA International) at 212-407-8304 or mperrelli@nba.com. Additional information on international media policies may be obtained by calling the NBA league office.

LEADERSHIP

TOM GORES [OWNER]

Tom Gores is owner of the Detroit Pistons and Chairman and CEO of global investment firm Platinum Equity. A graduate of Michigan State University who grew up in Flint, MI, Gores has substantial family and business ties to the region. His wife, Holly, a Michigan native who also graduated from Michigan State, has deep roots in the area and both are actively involved in the local community. Gores has often described the Pistons as a "community asset" with the power to unite and inspire people in Detroit and throughout Michigan.

In his most impactful move since acquiring the franchise in 2011, Gores returned the Pistons to downtown Detroit in 2017 and this season opened the new Henry Ford Detroit Pistons Performance Center, a state-of-the-art practice facility and corporate headquarters. Those efforts are bringing substantial new investment and economic activity to the city and a comprehensive community benefits package that will aid Detroit's neighborhoods and advance the city's continued resurgence.

The new performance center is one of the top sports medicine, practice facility and team headquarters complexes in the NBA. Located in the New Center area of Detroit, the new state-of-the-art training facility connects to a new Henry Ford Health System Center for Athletic Medicine complex that houses physicians and researchers specializing in rehabilitative treatment, injury diagnosis and prevention. The integration of sports science and research with day-to-day player training sessions provides Pistons players with a substantial competitive advantage and ensures the franchise has the best tools available anywhere for maximizing player development and attracting and retaining top talent. Serving the public interest, the new facility includes retail spaces that create jobs and make the neighborhood an even more attractive place to live and work. Michigan-based grocer Plum Market is opening its first café and market location in Detroit on site, while Blink Fitness, a premium-quality value-based gym, is opening one of 15 planned Metro Detroit locations at the performance center as well.

While continuing to maximize the franchise's business and community impact off the court, Gores led a complete overhaul of the team's front office and coaching staff during the summer of 2018 to help maximize the team's potential on the court. Veteran NBA executive Ed Stefanski was hired to run basketball operations with a mandate from Gores to create a progressive, dynamic organization that would blend proven, hard-earned experience with the best of modern, cutting-edge practices. Stefanski assembled a duo of talented, up-and-coming Assistant GM's in Pat Garrity and Malik Rose, and brought together some of the brightest young minds in the League on matters of personnel, analytics and basketball administration. He also brought back legendary former Pistons trainer Arnie Kander – recognized as one of the best in the business at injury prevention and rehab – to assess the team's medical and training needs, bring in new leadership and consult with the team on an ongoing basis.

The front office hires were widely-praised throughout the NBA, as was the hiring of former NBA Coach of the Year Dwane Casey. An experienced, highly-respected head coach who took the Toronto Raptors franchise to new heights and is known for his ability to develop and maximize young talent, Casey was attracted to Gores' vision for the franchise and to the potential of the players on the roster. After leading the club to the 2018 NBA Playoffs in his first year in Detroit, Casey believes this year's Pistons team has an opportunity to continue its upward arch with a year of familiarity and feel for his free-flowing offense system and fundamental defensive principles.

RINGTHEBELL.org on Archive.org

Preparation for the 2019-20 NBA season has focused on opening the year with a roster built around All-NBA performer Blake Griffin, two-time NBA all-star Andre Drummond, a healthy Reggie Jackson and continued maturation from a number of young players, including Luke Kennard and Bruce Brown. Other offseason moves have helped provide veteran leadership and depth at the point guard and wing positions, specifically the addition of former NBA MVP Derrick Rose as well as veterans Tony Snell, Markieff Morris and Tim Frazier.

Off the court, Gores and his organization have remained equally committed to making an impact in the community. Gores, Pistons' Vice Chairman Arn Tellem and the Detroit Pistons Foundation have made significant commitments to many local charitable organizations, including S.A.Y. Detroit Play Center, the Detroit Police Athletic League, City Year, Grow Detroit's Young Talent, the Bing Youth Institute/BINGO Mentoring Program, Forgotten Harvest, Detroit Symphony Orchestra, HAVEN and the Jalen Rose Youth Academy. The basketball team also supports a wide-range of community programs through NBA Cares that focus on health and fitness, education, military, special needs, Black History and the environment. Since its inception in 2005, the NBA Cares program has generated more than $105 million for charity, donated over 950,000 hours of hands-on volunteer service and built more than 415 places where kids and families can live, learn or play.

Gores and the Pistons are investing $2.5 million over six years for a City Court Rehabilitation project in partnership with the City of Detroit Recreation

Department, which will oversee the construction, renovation and refurbishment of 60 basketball courts in parks throughout Detroit. In 2016, Gores launched FlintNOW, a $10 million private sector campaign to support short- and long-term relief and revitalization initiatives in response to the Flint water crisis. FlintNOW has cultivated relationships with dozens of key stakeholders and deployed resources to programs focused on immediate relief, healthy food and nutrition, education and long-term economic revitalization. The Pistons have been active in their support of FlintNOW, as have many other businesses. Other FlintNOW partnerships include a $25 million economic development program launched with Huntington Bank, a healthy foods initiative created with the National Basketball Players Association, and numerous campaigns that have provided millions of dollars in support to local Flint charitable organizations. In August of 2017, Gores and Consumers Energy President and CEO Patti Poppe announced a $2 million commitment to help fund the creation of a Flint Promise scholarship program. The new privately funded scholarships are expected to launch for the 2018-19 school year. Furthering Gores' long-term vision to impact young people his hometown, he recently brought the nationally renowned Vision To Learn program to Flint in May 2018, providing free eye exams and glasses to students in need across Flint Community Schools.

Strong relationships, trust in people and open communication are hallmarks of Gores' approach and have been fundamental to the success of Platinum Equity, the investment firm he founded in 1995. Under his leadership, Platinum Equity has grown into a multibillion-dollar investment firm with a diverse, global portfolio of operating companies in a wide range of different industries. The firm has more than $19 billion of assets under management and its current portfolio comprises approximately 40 operating companies generating more than $31 billion in revenue. Platinum Equity has invested in many Michigan-based companies in a range of different industries, including automotive, transportation and logistics, and boat manufacturing.

Gores' focus on operational execution is a hallmark of Platinum Equity's approach. The firm employs a highly specialized strategy it calls M&A&O® that integrates investment expertise with deep operational capability and resources. Its focus on operational execution is a signature of Platinum Equity's differentiation in the global M&A marketplace.

Gores' attention to detail and commitment to executing on fundamentals can be traced back to his early experience in learning to run a business from the ground up. He started out in the software industry as an entrepreneur who founded a successful business that provided inventory and supply chain management solutions to the lumber industry. As a small business operator, where companies often trade principally on their good word and ability to follow through on what they promise, Gores learned the importance of empowerment, hard work and integrity – principles that guide him still today.

Born in Nazareth, Israel, Gores (55) moved with his family at age four to Genesee, MI, where he grew up and went to high school. He worked his way through college, earning a Bachelor's degree from Michigan State in 1986. He and Holly have three children and reside in Beverly Hills, CA. The family also maintains a residence in Birmingham, MI.

Gores is a long-time supporter of initiatives focused on education, health care and the arts. He also has a deep passion for youth sports, having coached numerous soccer and basketball teams and funded a broad range of sports-related programs that teach kids valuable lessons about teamwork, leadership and commitment.

Arn Tellem is Vice Chairman of the Detroit Pistons basketball franchise. Mr. Tellem, who reports to owner Tom Gores, joined the organization in August 2015 following a distinguished career as one of the top player agents in professional sports.

As a representative of ownership, Mr. Tellem has broad responsibility for business strategy, planning and development, and strengthening the connection between the Pistons and the community. He is responsible for league-related initiatives as one of the team's Alternate Governors on the NBA Board of Governors. In 2017 he served as Mr. Gores' point man and chief negotiator in the successful bid to bring the franchise back to the city to play after a 39-year absence. Two years later, Mr. Tellem oversaw the organization's complete move to downtown Detroit with both the basketball and business arms of the company occupying the newly constructed, state-of-the-art, Henry Ford Detroit Pistons Performance Center.

Mr. Gores describes Mr. Tellem as "one of the most accomplished and respected sports executives in the world" and says he "shares my belief that sports can be a catalyst for change in the community."

A graduate of the University of Michigan Law School, Mr. Tellem has said the opportunity to contribute to the region's revitalization was a key factor in his decision to join the Pistons:

"I'm excited by the potential in Detroit and throughout the region – in commerce, the arts and on the basketball courts and playing fields. It's been a privilege to spend so much of my life helping guide the careers of professional athletes, but making a difference to a community gives you a deeper sense of purpose."

To that end, Mr. Tellem has spearheaded a number of community partnerships that earned the organization national recognition. Committed to making an impact in the city of Detroit and the metro region, the club's community relations efforts were recognized nationally by ESPN as a finalist for the ESPN 2016 Sports Humanitarian Team of the Year Award. Mr. Tellem, Mr. Gores and the Detroit Pistons Foundation made significant commitments to, and forged and strengthened relationships with S.A.Y. ED STEFANSKI

[SENIOR ADVISOR TO OWNER TOM GORES]

Ed Stefanski was named senior advisor to owner Tom Gores on May 24, 2018. In his current role, he oversees all basketball operations of the Detroit Pistons.

With Stefanski at the helm, the Pistons returned to the NBA Playoffs in 2019 for the first time since 2016 after going 41-41. The 41 wins marked the second-most by the team in the previous 10 seasons while 26 home wins tied for the most in the last decade as well.

A seasoned executive, Stefanski brings two-plus decades of NBA front office experience to the club. Prior to joining the Pistons, Stefanski spent four years with the Memphis Grizzlies as an executive vice president. Previously, Stefanski held management positions with the Toronto Raptors, Philadelphia 76ers and New Jersey Nets. During Stefanski's tenure in Memphis, the Grizzlies made three postseason appearances, including a trip to the 2015 Western Conference Semifinals.

Immediately after his hiring, Stefanski went to work in reshaping the Pistons' roster by drafting Bruce Brown from the University of Miami with the 42nd overall pick in the 2018 NBA Draft. He then acquired Kyri Thomas (drafted 38th overall by Philadelphia in the 2018 NBA Draft from Creighton University) on draft night in exchange for two future second-round picks and added veteran leadership to the roster by signing free agents Zaza Pachulia and Jose Calderon in July. Stefanski and his team continued to retool the roster at the 2019 NBA trade deadline by acquiring Thon Maker from the Milwaukee Bucks in exchange for Stanley Johnson in a three-team trade which saw Johnson go to New Orleans and Nikola Mirotic to the Bucks. Detroit then acquired rookie swingman Sviatoslav Mykhailiuk from the L.A. Lakers, along with a future second-round pick, for guard Reggie Bullock. When veteran guard Wayne Ellington became available after being bought out by the Phoenix Suns, Stefanski successfully signed the free-agent shooting specialist to bolster the team's 3-point shooting. That move helped the Pistons reach a team-record in 3-pointers made (993) and attempted (2,854) and an eventual playoff appearance.

Stefanski' kept active during the 2019 offseason by first drafting Sekou Doumbouya from France with the 15th overall pick in the 2019 NBA Draft. He then completed a trade with the Milwaukee Bucks acquiring forward Tony Snell and the draft rights to Kevin Porter Jr. in exchange for Jon Leuer. Stefanski continued the roster's rebuild in free agency by signing former NBA MVP Derrick Rose, Markieff Morris, Tim Frazier, Christian Wood and seven-time NBA All-Star Joe Johnson, fresh off leading his team to a Big3 championship and being named MVP of the league.

Stefanski served two seasons (2011-13) as executive vice president of basketball operations with the Raptors. With Stefanski in the front office, Toronto began the process of reshaping the franchise around the trade acquisition of eventual NBA All-Star Kyle Lowry and 2012 draft pick Jonas Valanciunas.

Prior to his time in Toronto, Stefanski spent four seasons (2007-11) as president and general manager of the 76ers, where he helped return the franchise to the postseason through re-signing key players such as Andre Iguodala, adding talent through the draft lottery and shrewd drafting of mid-first round picks in the NBA Draft. Selections such as Marreese Speights (16th overall in 2008), Jrue Holiday (17th overall in 2009), consensus NCAA Player of the Year Evan Turner (2nd in 2010) and Nikola Vucevic (16th in 2011) helped guide the 76ers to the NBA Playoffs three times during Stefanski's tenure. Before going to Philadelphia, Stefanski served nine seasons (1998-2007) with the Nets where he oversaw the team's basketball operations and was heavily involved in the team's roster development and player personnel matters. He was promoted to general manager in 2004 following a one-year term as senior vice president of basketball operations and four seasons as director of scouting.

Stefanski was instrumental in the Nets' back-to-back Eastern Conference Championship teams in 2002 and 2003. He played a significant role in drafting Kenyon Martin with the top overall selection in the 2000 NBA Draft and a 2001 draft-night deal in which the Nets acquired Richard Jefferson, Jason Collins and Brandon Armstrong from Houston. Three of those players (Martin, Jefferson and Collins) developed into starters for the Nets' 2002-03 Eastern Conference Championship squad. In 2004, Stefanski acquired multiple All-Star Vince Carter from Toronto. Carter and Jefferson rank third and fourth, respectively, among Nets career leaders for points scored.

A 1976 graduate of the University of Pennsylvania (Wharton School of Business), Stefanski played three seasons for Penn, where he was coached by Hall of Famer and Pistons great Chuck Daly. He was a member of two Ivy League Champions (1974 and 1975) and helped the Quakers reach the NCAA Tournament in both of those seasons. Stefanski was drafted by Philadelphia in the 10th round of the 1976 NBA Draft.

While in college, Stefanski founded and secured funding for the Philadelphia Housing Authority's Inner City Basketball League, which provided a structured basketball environment for hundreds of boys and girls living under the Housing Authority. The Housing Authority later celebrated his efforts with a special recognition award, commending his contributions to the youth of Philadelphia. Stefanski also enjoyed a 20-year run (1979-98) as a color analyst for Big Five basketball and ESPN's Atlantic 10 Basketball coverage.

Stefanski and his wife, Karen, have four children: Edward Jr., Kevin, Matthew and David.

DWANE CASEY

[HEAD COACH]

Dwane Casey was named head coach of the Detroit Pistons on June 11, 2018 after seven years at the helm with the Toronto Raptors. Casey came to Detroit after being named 2018 Coach of the Year by the National Basketball Coaches Association (NBCA) and being honored as the 2018 NBA Coach of the Year as voted upon by national media covering the NBA.

In his first season with the Pistons, Casey led Detroit back to the postseason for the first time since 2016 by going 41-41. The 41 wins marked the second most by the franchise in a decade while 26 home wins tied for the most in the previous decade as well. Under Casey's tutelage, the Pistons set a franchise record in 3-pointers made (993) and attempted (2,854) and made 20 3-pointers in three games. The 20 threes marked the second-most by a Pistons team in a game. Casey's offensive schemes allowed for a franchise record five Pistons to record 100-plus 3-pointers on the season with each connecting on a single-season career high [Blake Griffin (189), Reggie Jackson (174), Langston Galloway (135), Reggie Bullock (114) and Luke Kennard (106)]. Detroit also averaged 107.0 points per game which were the most by a Pistons team since 1987-88. Both Griffin (24.5 ppg) and Andre Drummond (17.3 ppg) flourished in Casey's offense resulting in career-high scoring marks and a return to the All-Star game by Griffin. Additionally, the Pistons' defense ranked seventh in points allowed and ninth in 3-point field goal percentage (.345).

While with the Raptors, Casey led the Raptors to four Atlantic Division Championships and a franchise record five consecutive postseason appearances from 2014-18. Under his leadership, Toronto recorded the franchise's first 50-win season in 2015-16 and proceeded to amass three consecutive 50-win seasons, including a franchise record 59 wins in 2017-18. He was also selected as the Eastern Conference head coach at the 2018 NBA All-Star Game in Los Angeles, CA and led Team LeBron to a win over Team Stephen. Casey left the Raptors as both the franchise's all-time winningest coach, with a 320-238 regular season record, and their longest tenured coach.

The Raptors posted their second 50-win season in 2016-17, despite missing All-Star point guard Kyle Lowry for 21 games. Casey earned his fourth Eastern Conference Coach of the Month honor in December when the Raptors averaged a conference-best 112.1 points with a +11.1-point differential. Toronto also finished the month ranked second defensively, holding opponents to 101.1 points per game. He became the only coach in franchise history to earn the Coach of the Month award multiple times (December 2017, December 2016, January 2016, November 2014 and December 2013).

In 2015-16, Casey directed the Raptors to their fourth Atlantic Division championship and set a then team record with 56 victories. It marked the first time in franchise history the Raptors had topped 50 wins in a season and Toronto finished second in the Eastern Conference, the highest position in franchise history. Casey showed an ability to adapt and still be successful as he was missing two-fifths of his starting lineup for more than 60 games and started a rookie for 20 games following the NBA All-Star break. He guided the Raptors to a 12-2 mark, setting a team record for wins in January and the best winning percentage (.857) in a month with 10 or more games. The Raptors won a franchise-best 11 consecutive games (January 6-30) and swept a seven-game home stand for the first time in team history.

The Casey-led Raptors picked up a second consecutive Atlantic Division championship and 49 victories in 2014-15. His club had sole possession of first place in the Eastern Conference for the first time in team history and remained there from November 4 – January 1. The defensive-minded Casey showcased an up-tempo offense that set a franchise best with 726 made 3-pointers and was the second-highest scoring unit in team history. They also finished in the top 10 in the league for fewest turnovers for a third straight season.

Toronto recorded 48 wins in 2013-14, won an Atlantic Division championship and locked up the third overall seed in the Eastern Conference. Casey's squad also set a franchise record with 22 road wins and matched an all-time high with 16 victories against Western Conference opponents. Casey continued his emphasis on the defensive end of the court as Toronto ranked in the top 10 in points allowed (98.0, 6th) and opponent field goal percentage (.450, 10th).

During the 2012-13 campaign, Casey and his coaching staff oversaw the development of a youthful core of players including DeMar DeRozan, Amir Johnson, Jonas Valanciunas and Terrence Ross. DeRozan established career highs in points, rebounds, assists and minutes, Johnson posted career bests in points, rebounds, assists, steals, blocks and minutes and Valanciunas earned NBA Eastern Conference Rookie of the Month honors.

In his first season with the Raptors (2011-12), Casey took a Raptors team that ranked near the bottom of the NBA in every defensive category and transformed its identity producing desirable results. The Raptors finished the season as the league's leader for greatest improvement in opponent field goal percentage and opponent scoring. Toronto ranked in the top 10 in fewest points allowed (9th), opponent field goal percentage (8th) and 3-point field goal percentage (5th). The team finished in the bottom third of the league in all three categories in the previous season.

Casey, 62, has served as a head coach, associate head coach and assistant coach in the NBA for 24 seasons. He has coached in two NBA Finals (1996 and 2011) and three NBA All-Star Games (1996, 1998 and 2018).

Casey spent three seasons (2008-11) as an assistant coach with the Dallas Mavericks. The Mavericks posted a 162-84 (.659) mark during that span, winning 50 or more games in each of Casey's three seasons with the team. Casey was in charge of a defensive unit that held its opponents to 96.0 points per game (6th in the NBA) and 45.0% shooting from the field (8th in the NBA) in the 2010-11 regular season. In the 2011 postseason, Casey's defense posted series victories over offensive powers the likes of Kobe Bryant, Kevin Durant, Russell Westbrook, LeBron James and Dwyane Wade. Dallas held its playoff opponents to 92.5 points per game and defeated the Miami Heat 4-2 in the Finals to capture the 2011 NBA Championship.

Casey's first NBA head coaching job came with the Minnesota Timberwolves where he served from 2005-07. After going 33-49 in his first season, Casey had the club in playoff contention with a 20-20 record when he was replaced on January 25, 2007.

Casey began his NBA coaching career in 1994 as an assistant with the Seattle Supersonics. He spent 11 seasons with the Sonics where he served under longtime NBA head coaches George Karl, Paul Westphal and Nate McMillan. He was promoted to associate head coach in November 2000. Nine of his teams in Seattle finished above .500 with five winning 50 or more games. The 1996 Sonics squad won the Western Conference Championship after finishing the regular season with a franchise record 64 victories.

In 14 seasons as an NBA assistant, Casey's teams have registered a 689-427 mark (.617) with eight campaigns of 50 or more wins. His teams have qualified for the playoffs in 11 of those 14 seasons.

Prior to joining the Sonics, Casey spent five years as a head coach in Japan. He also coached Japan's National Team with basketball legend Pete Newell. In the summer of 1998, Casey coached the team to its first World Championship appearance in 31 years.

From 1985-89, Casey was an assistant under legendary collegiate coach Eddie Sutton at the University of Kentucky. The Wildcats posted a 90-40 mark during that span. He also served as an assistant under Clem Haskins at Western Kentucky University from 1980-85.

Casey played collegiately at Kentucky and helped the Wildcats register a 30-2 record in his junior season and capture the 1978 NCAA Championship. A four-year letterman, Casey was named team captain his senior year and won Kentucky's all-academic award.

A native of Morganfield, Kentucky, Casey earned a degree in business administration from Kentucky in 1979. He and his wife, Brenda, have a daughter, Justine, and son, Zachary.

COMMUNITY & SOCIAL Responsibility

MISSION STATEMENT

The Detroit Pistons Community & Social Responsibility Mission is to use the game of basketball as a vehicle for change that will inspire and impact the Detroit community. The four pillars of focus are Education, Health & Fitness, Mentoring and Equality with the flagship program of Basketball For All serving as the primary community initiative.

DETROIT COMMUNITY & SOCIAL RESPONSIBILITY PROGRAMMING

The Detroit Pistons have brought professional basketball back to Detroit. Tom Gores' vision is to put an exciting and talented team on the court and be the leader in social responsibility off the court in the Detroit area. In support of this, the Detroit Pistons launched the Basketball for All program. The goal of the program is to put basketballs in the hands of all underserved youth in Metro Detroit. But it's bigger than just giving away basketballs. It's the belief that providing safe places for children to play should be a commitment we all make and that providing every child with a basketball will encourage health and wellness to last a lifetime. Basketball should not just be a sport for some, but accessible to everyone.

Renovating courts and distributing basketballs over the course of the next six years are just the beginning. The long-term vision is to create communal gathering areas for the neighborhoods surrounding these parks by facilitating activities and programs for people of all ages to enjoy. This ongoing commitment requires a strong bond with the city of Detroit and dedicated partners to build amazing experiences with each renovated park or basketball distributed.

THE DETROIT PISTONS FOUNDATION

The Detroit Pistons Foundation administers grants for charitable purposes in the areas of education and mentoring, health and fitness, and youth leadership and development.

The Detroit Pistons, Owner Tom Gores, Vice Chairman Arn Tellem and the Detroit Pistons Foundation began a campaign to connect the Pistons with key community organizations in Detroit and the region. The Detroit Pistons Foundation has committed more than $3 million in grants to eight Metro Detroit charities since 2016 with the goal of being a stakeholder and contributor to the continued revitalization of Detroit and the region.

Each philanthropic grant includes the opportunity to align with Detroit Pistons Community and Social Responsibility platforms, players, legends, or executives. The following organizations are partners of the Detroit Pistons Foundation during the 2019-20 NBA Season.

- BING Youth Institute
- City Year Detroit
- Detroit Police Athletic League (PAL)

The Pistons will run community clinics on the courts once they are complete.

PISTONS FIT

In partnership with Henry Ford Health System, the Pistons promote the importance of a healthy lifestyle through clinics, cooking classes, as well as educational and interactive events.

MENTORING

BUILDING BRIDGES THROUGH BASKETBALL

The Detroit Pistons team up with Ross Initiative in Sports for Equality (RISE) for a 10-week program that brings local youth and law enforcement together. The program engages adolescents in weekly 2.5-hour sessions featuring a combination of on-court basketball programming and a curriculum on leadership, conflict resolution, identity and diversity.

FARM BUREAU INSURANCE GAME CHANGERS

The Game Changers program recognizes and rewards educators in Southeast Michigan that are making a positive impact in their classroom and in the lives of their students. Educators were chosen based on nominations by students, fellow educators and family members. They were invited to a home game and presented a $1,000 check donation for them to use on their students/classroom.

MENTOR

The Pistons focus on driving positive change amongst metro Detroit youth by helping to foster the mentor/mentee relationship. PSA's are created of Pistons players sharing their stories about their mentors and how they have been affected by these role models, as well as, encourage others to become mentors. The Pistons also partner with local mentoring organizations to provide events and programs for mentors and their mentees.

EQUALITY

BLACK HISTORY MONTH

For Black History Month, the NBA is supporting the national dialogue on race and equality through league-wide efforts that bring people together, amplify the voices of fans and players and takes collective action toward concrete change. The Detroit Pistons are focused on bringing together the world of sports, entertainment, fashion and the arts to show through different forms that all voices should be heard in an effort to create change.
